Dear Friends & Colleagues,

It is the time of the year that we eagerly wait for – the moment when BOGSIANS across the State gather to exchange their clinical experience, share their scientific knowledge, celebrate their achievements and reaffirm their dedication for saving women's lives. It's the time for the Annual Conference of The Bengal Obstetric & Gynaecological Society, that brings together the leading experts, clinicians, researchers and academicians from across the state and beyond.

We are proud to announce that the signature event of the Society, BOGSCON 49, is going to be held on 19th to 21st December 2025 at the iconic venue, ITC Royal Bengal, Kolkata. The organizing committee has decided to have a three-day conference with three dedicated masterclasses including Subfertility, Fetal Medicine and Obstetric Skills on the first day. Keeping the theme of the year, "*Saving Women's Lives – from Awareness to Action*" in mind, the scientific committee has started stitching up an academic extravaganza for the following two days. The highlights of academic schedule would include Dr D C Dutta Memorial oration, Dr Subodh Sur Roy Memorial CME, keynote lectures, symposium, case-based panel discussions and free communications. The scientific programme will be complimented by enthralling cultural events in the evenings and delicious cuisine from ITC Royal Bengal, throughout the day. We are confident that this time, too, you will carry home some pleasant memories.

We look forward to seeing you in large numbers so that we can share the unique experience together.

Long live BOGS
Team BOSCON 49
