Dear Friends

The Bengal Obstetric & Gynaecological Society is a professional body of doctors dedicated to the healthcare of women of West Bengal for past 90 years. As a part of our Women's Health Initiative we are going to organize a 'Health Mela' on Saturday, 24th January 2026 at City Centre 1, Salt Lake to promote women's health issues in the community. This will be a unique programme which include open forum discussion on common health issues, health screening tests and Cervical Cancer Vaccination. As a responsible member of the community you would get the opportunity to be involved in open forum discussion. Your active participation will make this programme a successful event.
